## while we're at it

**our vision** Create a parish of missionary disciples whose personal relationship with Jesus Christ inspires others into a life-changing relationship with Him.

Dear Friends,

We're blessed here to have so many good programs running for our two parishes every semester and there is something practically every day of the week. Some have already gotten underway but this week more start up:

Monday evenings is **Women's GIFT** (Growing in faith together), a small group experience that will focus on the role of the Holy Spirit in our lives.

Tuesday evenings features the popular **Walking to Eternity** that takes a scriptural approach to how to overcome obstacles that hold us back in our relationship with Christ.

Starting this Wednesday, in sessions in the morning or evening, we are offering the **Alpha Course** for anyone who has questions about faith and life, about God and how we can believe. Connect with others over a meal and rediscover what faith is all about. Bring anyone—if your faith life is stuck and needs a jumpstart, or if you are struggling to believe, **Alpha** is just perfect.

How long has it been since you and your spouse spent some time together totally focused on the quality of your relationship? The **Alpha Marriage Course** runs the next seven Wednesday evenings and gives you and your spouse time to enjoy a meal, reflect on what makes your marriage work, and renew your communication and your love. We babysit the kids while you spend time with each other. Treat yourselves to a better marriage.

Go to [stlawrenceotoole.org](http://stlawrenceotoole.org) and sign up for the program that will most help you grow as a Catholic. You'll be really glad you did.

We all feel a need to do something on a parish level about the scandals we are suffering with. True reparation has deep scriptural roots and a long tradition in the Church and always involves prayer, fasting and almsgiving.

**Prayer:** Every First Friday for a year, starting this week, we will have a Mass of Reparation for the sins of the sex abuse scandal. We'll offer Confessions at 6:00, Mass at 7:00, and a half hour of Adoration after Mass with Benediction and the Litany of Reparation to the Sacred Heart of Jesus.

**Fasting:** We recommend one of the following practices. **A.** Bread and water fast on Fridays; **B.** Skip a full meal each Friday, as we do during Lent. **C.** Go meatless each Friday, like we used to do in the old days in the Church.

**Almsgiving:** A sacrifice of our money and detachment is good for the forgiveness of sins. We'll be focusing on two projects for the poor: our **Brewster Emergency Homeless Shelter** that helps up to 15 local homeless each night in winter, and the **Haiti Project**, which is looking for \$6000 to build a home for a destitute family in that country. We'll have envelopes in the Church you can drop in the collection, or give on the website of the parish.

God bless,

Fr. Richard

## LEAVE A LEGACY OF LOVE

It is important for everyone to have a will in order to insure your assets are directed according to your intentions and that everything is clear when you go back to God. Many people distribute what they have among loved ones and also generously leave a portion of their assets to the parish.

You can leave a gift to build up the future of your parish (St. Lawrence or Sacred Heart) with a bequest in your will. Some people leave a percentage such as 10% of their estate to the church, and others leave a fixed amount.

Previous generations of Catholics built up the church we inherited... leave your legacy for the Catholics to come after us.

Call the rectory to find out more information:

EXODUS 20:8-10

# HAPPY SABBATH

“REMEMBER THE SABBATH DAY, TO KEEP IT HOLY. SIX DAYS YOU SHALL LABOR AND DO ALL YOUR WORK, IO BUT THE SEVENTH DAY IS THE SABBATH OF THE LORD YOUR GOD.”

## God's gift of leisure

Tracey Earl Welliver, MTS

*Remember the sabbath day—keep it holy. Six days you may labor and do all your work, but the seventh day is a sabbath of the Lord your God. You shall not do any work, either you, your son or your daughter, your male or female slave, your work animal, or the resident alien within your gates. For in six days the Lord made the heavens and the earth, the sea and all that is in them; but on the seventh day he rested. That is why the Lord has blessed the sabbath day and made it holy. —Exodus 20:8-11*

When the fall months come they bring with them increased opportunities for relaxation and recreation. However, our fast moving world would often seek to deny a those gifts of time and space. We can find ourselves in a place where the desire for leisure is seen as a sign of laziness or lack of commitment. But was it not God who gave us the model of rest by refraining from activity on the seventh day of creation? And if all we have comes from God, by not taking th time for leisure do we not disregard this essential gift?

When we take time to include “inactivity” into our daily life and into our year, we acknowledge that we are not th sum of our career, job, schoolwork, or teen parenting. We have been given more by God and sometimes the only way to experience the richness of those gifts is to take a break from that which we normally do. The German Catholic philosopher, Josef Pieper, spent much of his time writing about these very issues. In his book, *Leisure: The Basis of Culture*, he wrote about the dangers of becoming consumed by work. He wrote, “Of course the world of work begins to become-threatens to become- our only world, to th exclusion of all else. The demands of the working world grow ever more total, grasping ever more completely th whole of human existence.”

Whether it is during fall or another time of the year, let us be good stewards by taking time to rest in the Lord. At times the fields must lie fallow to be watered by the rain and nourished by the sun. This will provide time to the sower to decide the best crops to plant and seeds to sow. Then his harvest, when it arrives, will be that much fuller.

### **Idea for response**

Take a day off from work or a Saturday and give yourself permission to do nothing. Take time to rest in God.

### **Take time to reflect**

When were the three best occurrences of real relaxation for me? Did I consciously invite God into those times?

## blessing of the animals

On Sunday, Sept 30th, this custom is conducted in remembrance of Saint Francis of Assisi's love for all creatures. Bring your animals on a leash to church.

### St. Lawrence:

1:30 pm in front of church

### Sacred Heart:

## benefits of WeShare

## how WeShare made our life easier

**Chris Sherman**

I really like using the **WeShare** online giving site that we have here at St Lawrence. I find this is one less thing to worry about each week compared to the old days of bringing the weekly donation envelopes to Mass.

As a father of three kids in 3 different Brewster schools, I welcome technology that makes life a little easier I also like that it allows my wife and I to plan our giving, year over year as we try to give a little more each year. There are other benefits as well, such as printing out your annual donation history for tax purposes, paying online for a scripture study class, Religious Education, and more.

If you are not using **WeShare** for all your parish donations, then I recommend you give it a try this year!

**sign up for WeShare at**

**Oct 4 2018**

More than 500,000 students from across the United States will join the *Bring Your Bible to School* movement on Thursday, Oct. 4. The annual student-led event, now in its fifth year, provides a unique opportunity for young people to share about their faith by highlighting its source – the Bible.

# we became a team again

## The Apha Marriage Course

**Ronnie and Bill Fagin**

My husband and I decided to join Alpha Marriage because it seemed like a good place to truly focus on us—something we really haven't been able to do in over 10 years. Alpha Marriage gave us the opportunity to be close and rediscover what we really love about each other and discuss a few things maybe we don't really love about each other too! We learned that relationships change, sometimes without your knowledge. Several years ago when we were getting to know each other, important things were not talked about as they didn't matter to us back then. They do know, and Alpha Marriage gave us the perfect opportunity to address them directly and with guidance from the course. We talked about things we may never have considered - even in a lifelong marriage. We really found our team again.

The program is for every couple: young, older, newly married or married forever. And if you are shy, do not worry. There is no opportunity for public sharing. It's just the two of you. You sit at a romantic table for two with a great dinner and some wine, and you get to finally be focused on your spouse. I don't think we

finally be focused on your spouse. I don't think we have spent three full hours together since we had kids! They even have a babysitter. There is no excuse not to give your marriage this important time. We absolutely love the program, look forward to it every week, and want to keep taking it.

It is done so very well.
