thank you

A special THANK YOU to all the amazing volunteers and donors who shared their time, talents and treasures with our local homebound neighbors. So many helped bring the Christmas spirit of love, hope to 125 homebound parishioners and neighbors of St. Lawrence and Sacred Heart. Some brought food to share, some packed the meals, others delivered, and donated money to buy supplies and some did it all!

o'toole seniors

Our first meeting in the New Year will be Monday Jan, 14 at 1:00 pm in the Parish Center Dining Hall

while we're at it

our vision Create a parish of missionary disciples whose personal relationship with Jesus Christ inspires others into a life-changing relationship with Him.

Dear Friends,

Five years ago at St. Lawrence we launched an ambitious project to renovate our Church for its 100th anniversary, and brought in the best architects and builders we could find. We knew that God had plans for this Church for another hundred years at least.

The result was a stunning upgrade of a Church that first opened its doors in 1915. We were able to open on Divine Mercy Sunday of 2015, and Cardinal Dolan celebrated Mass and rededicated it one hundred years to the day of the first Mass in St. Lawrence on June 30, 2015.

The renovated Church featured a reconfiguration of the entrance to bring in light and create more open space in the narthex, slimmed down columns, brighter modern lighting, new pews, floors, wainscoting, a new altar and ambo, a renovated sanctuary, an elevator, expanded parking, a prayer garden and an entrance plaza. The new addition built provided room for an Adoration Chapel, confessionals and sacristy that connect the Church to the Parish Hall.

Everyone who has visited, from the Cardinal to long departed parishioners who drop in to visit are overwhelmed at the elegance and beauty of the renovated Church.

While construction was in progress, we launched our Centennial Campaign to pay for the \$3.8 million project and had great support from parishioners who made five-year pledges. About 200 parishioners made gifts or pledges to the campaign, and much of the total was pledged. We moved ahead thanks to a loan from the Archdiocese. And the parish has made all its payments to the ten-year loan agreement on time.

At this point, as we start 2019, we have only just over \$1 million left to repay, and five years remaining on the loan agreement. That is a great accomplishment for our parish – to have retired practically 75% of our debt in just five years. It is something we are right to be proud of.

However, the pledges we received are gradually being paid down, and those remaining will not be enough to cover the balance of \$1 million plus interest we owe over the next five years of our loan.

I am extending my own financial pledge to the Campaign for another five years, and some other parishioners have agreed to do the same. That will take care of part of the balance.

Our Finance Council has helped over the years to manage the renovation loan as well as monitor the financial progress of the parish, bring us to the verge of a positive operating balance and ensuring our parish programs run efficiently. Good management of our facilities has allowed us to renovate the Parish Center and adapt it for use for adult formation, religious education and youth ministry.

After consulting with the Finance Committee, we have decided to start a Phase II of the campaign to invite people to participate in eliminating the remainder of the loan.

We want to invite the rest of the parish – everyone who is able – to help in paying down our renovation loan over the next five years.

We'll do this in a number of ways with fundraisers and further pledges from those who haven't had a chance to give yet, but I would also like to introduce a monthly giving initiative, specifically for Phase II of the renovation campaign.

In the next packet of donation envelopes, there will be a **special gold Centennial Campaign envelope**. It will be included each month with your regular envelopes, and I encourage you if possible to give an extra gift each month toward the campaign. You can drop it in any Sunday. I am hoping another 100 or 200 parishioners can give \$25 or \$50 or whatever you can afford each month. You can also give through the electronic **WeShare** giving as well at stlawrenceoole.churchgiving.com/CentennialRenovations.

I should note that this is an excellent way to give, because there are no diocesan assessments or taxes on the amounts we give to this Centennial Campaign. One hundred percent of what you give will stay here at the parish for the Campaign.

I'll be writing and explaining more about this in weeks to come. I am very happy and pleased with our progress so far and I am proud of what we have accomplished together. And I am certain that with the help of everyone who can, we will make it the rest of the way, by the grace of God.

God bless,

A handwritten signature in cursive script that reads "Fr. Richard".

LEAVE A LEGACY OF LOVE

It is important for everyone to have a will in order to insure your assets are directed according to your intentions and that everything is clear when you go back to God. Many people distribute what they have among loved ones and also generously leave a portion of their assets to the parish.

You can leave a gift to build up the future of your parish (St. Lawrence or Sacred Heart) with a bequest in your will. Some people leave a percentage such as 10% of their estate to the church, and others leave a fixed amount.

Previous generations of Catholics built up the church we inherited... leave your legacy for the Catholics to come after us.

Their prophetic words speak to us even today, as they draw us closer to our heavenly Bridegroom, and show us how to share him with others.
