our vision Create a parish of missionary disciples whose personal relationship with Jesus Christ inspires others into a life-changing relationship with Him.

Dear Friends,

Last week, fifty of our parishioners joined hundreds of thousands of others in the annual "March for Life" in Washington, DC to call for protection in law for the unborn. Many others joined in prayer at home for the cause.

This week, the Governor signed into law a radical pro-abortion bill making abortion legal even in the late stages of pregnancy, even when performed by non-doctors, and removing any protections for a baby surviving an abortion. New York already has an abortion rate double the national average, and this law will result in more death and more callous disregard for innocent human life.

Governor Cuomo claims to be a Catholic as do many of those assemblymen and senators who voted for this abomination. This law is absolutely contrary to our Catholic faith. Pray for them all to repent and be converted for the good of their souls. May God have mercy on them.

We will never stop proclaiming that all human life is sacred from the moment of conception until natural death and that no one ever is justified in killing innocent human life. Teach your children and your grandchildren.

God bless,

Fr. Richard Gill

THE FOLLOWING IS A STATEMENT BY ALL THE BISHOPS OF THE STATE OF NEW YORK.

"Words are insufficient to describe the profound sadness we feel at the contemplated passage of New York State's new proposed abortion policy. We mourn the unborn infants who will lose their lives, and the many mothers and fathers who will suffer remorse and heartbreak as a result.

The so-called "Reproductive Health Act" will expand our state's already radically permissive law, by empowering more health practitioners to provide abortion and removing all state restrictions on late-term procedures. With an abortion rate that is already double the national average, New York law is moving in the wrong direction.

We renew our pledge to offer the resources and services of our charitable agencies and health services to any woman experiencing an unplanned pregnancy, to support her in bearing her infant, raising her family or placing her child for adoption. There are life-affirming choices available, and we aim to make them more widely known and accessible.

Our Governor and legislative leaders hail this new abortion law as progress. This is not progress. Progress will be achieved when our laws and our culture once again value and respect each unrepeatable gift of human life, from the first moment of creation to natural death. Would that not make us truly the most enlightened and progressive state in the nation?"

the heart of hospitality

Tracey Earl Welliver, MTS

Then he said to his servants, 'The feast is ready, but those who were invited were not worthy to come. Go out, therefore, into the main roads and invite to the feast whomever you find.' The servants went out into the streets and gathered all they found, bad and good alike, and the hall was filled with guests.

-Matthew 22:8-10

To be invited to dinner is a form of hospitality as old as the human race. Sitting around a table, eating and drinking, is a way to share our lives with each other and show that we care. When we are shown hospitality, we always become more receptive to others because they have shared a part of themselves.

Hospitality is a component of stewardship that can never be trivialized. How we treat people is important not only when it comes to larger affairs, such as helping those in need, comforting the distraught, or doing a favor for someone, but also in our everyday interactions. If every breath we take belongs to God, then at every turn our interactions with people have the potential of bringing someone closer to the source of that breath.

This reality hit me the other day in the grocery store. I was in the checkout line with a cart full of items. While waiting, a woman came up behind me with two bags of chicken tenders and a baby in her arms. I offered to let her cut in front of me. She was so grateful but equally surprised someone would offer that to her. My simple action that day didn't lead to a full-blown evangelizing event. But it could have and sometimes it does.

Everyday stewardship means that when we see all aspects of our life as gifts from God, then in the ordinary we see opportunities for the extraordinary. In a grocery store check out line, on the bus, and walking across a college campus, we find chances to do something extraordinary. We have a chance to raise the mundane to a level where God can be noticed. In this reality, the heart of real hospitality is found.

Idea for response

The next time you are shopping look for at least 3 opportunities to offer hospitality with a kind action or word.

Take time to reflect

Who are 3 people to whom I can offer greater hospitality in my life? How can God help me change?

The Last Stretch... 2019-2024

Since 2014, we have paid down over \$2.6 million of the cost of our \$3.8 million renovation of the Church, and we have five years left to pay down the final \$1,050,000. The loan is due to finish in 2024.

We are hoping to pay down \$200,000 in principal each year, plus the 5% interest due.

Year	Principal	Interest	Balance
2019-20	\$200,000	\$52,000	\$850,000
2020-21	\$200,000	\$42,000	\$650,000
2021-22	\$200,000	\$32,000	\$450,000
2022-23	\$200,000	\$22,000	\$250,000
2023-24	\$200,000	\$12,000	\$50,000
2024	\$50,000	\$2,000	\$0
Total	\$1,050,000	\$162,000	

Help the parish by making a monthly gift in our Gold Centennial Envelopes or by **WeShare** at stlawrenceotoole.churchgiving.com/CentennialRenovations of whatever you can: \$25 or \$50 a month. 100% of all monies raised will go straight to our loan and not be taxed by the Archdiocese.

finding a way to connect to God

The Family Program had its annual January sessions this month. Our families refreshed their prayer lives to start off the new year! The families visited three stations, highlighting prayers and different ways to pray. Each station covered a specific way to pray.

One station presented the Sorrowful Mysteries of the Rosary. Families learned about each one of the five Sorrowful Mysteries through reading and viewing pictures. Families prayed the Rosary together.

The second station taught the “Our Father” in depth. Families learned about each part of the prayer and its meanings. Children were able to experience tasting “our daily bread”, participate in “forgive us our trespasses” and were given a gift of a cross bracelet to remind all to “lead us not into temptation”. They even created an “Our Father” prayer booklet.

In the last station, children received a small pocket notebook and were instructed on how to use a prayer journal. Prayer journaling is a wonderful way for everyone to pray to God in an informal manner. We can open up our hearts and minds and expose ourselves, through our writing, to God in the way He really loves to see all of us. Children were also shown how to use “lectio divina” with a prayer journal.

We hope each family enjoys praying throughout 2019.
