while we're at it

our vision Create a parish of missionary disciples whose personal relationship with Jesus Christ inspires others into a life-changing relationship with Him.

Dear Parishioners of St. Lawrence and Sacred Heart,

I make this statement with no judgment on the soul of anyone, but out of a pastoral need to properly educate and form our parishioners in the truth of our faith.

The Church's Code of Canon Law states:

Canon 915 Those upon whom the penalty of excommunication or interdict has been imposed or declared, and others who obstinately persist in manifest grave sin are not to be admitted to holy communion.

As pastor of St. Lawrence O'Toole and Sacred Heart Parishes I must state that due to his persistent and strident advocacy of abortion on demand, Governor Andrew Cuomo is obstinately persisting in manifest grave sin according to c. 915.

Therefore, in the unlikely chance he does attend our churches, he will not be admitted Holy Communion.

The above canon from Church law obliges me and all ministers of Holy Communion under my responsibility.

My sincere hope is that Andrew Cuomo will repent, seek the sacrament of reconciliation, and publicly renounce his position before receiving the Body and Blood of Jesus Christ.

Together let us all pray for his conversion and entrust him to the grace and mercy of God, along with all the legislators involved in passing this heinous law. And may we all work toward a culture of life in which every human life without exception, from conception to natural death, is welcomed as a gift from God and protected in our laws.

Let us grow every day to treasure the great gift of Holy Communion and to receive it worthily.

Fr. Richard Gill

Centennial Campaign Phase II

Since 2014 we have paid down over \$2.6 million of the \$3.8 million cost of the renovation of the Church. Over the next five years we need to pay off the rest of the \$1.05 million that remains. We are looking to pay down \$200,000 principal and approximately \$50,000 interest each year between now and 2024.

If you haven't yet made a pledge to the campaign, please help the parish by using the Gold Centennial envelopes you receive in the mail each month. You can drop them in the collection any time during the month. Or you may also give through **WeShare** at stlawrenceotoole.churchgiving.com/CentennialRenovations

Your gift of \$50 or \$25 each month, or whatever you can give will go a long way to helping the parish pay down our loan. 100% of all the monies raised goes straight to our loan, and none of it is taxed or assessed by the Archdiocese. Thank you for your support!

how God changes us

Rather than making 2019 resolutions that might already be abandoned, many of our parishioners opted to be transformed! On Wednesday evenings, **Rick Warren's Transformed** study is changing lives.

"I prayed for a long time that God would transform me; I have been to a number of different classes, but this one that is named Transformed is doing the job." Celeste Yazzetti

The purpose of the program is for us to reflect on all aspects of our life: spiritual, physical, mental, emotional, relational, financial, and vocational and learn how God wants to transform us from the inside out.

"Transformed brings together thoughts, random thoughts that I have had about the different aspects of my life and Rick Warren lays out in clear and methodical steps how to grow and develop habits that are meaningful and achievable." Ken Keltos

Rick explains that real change requires us to make the change a habit and that it takes six weeks to develop a new habit. It takes three weeks of doing it every day for it to become comfortable and another three weeks for it to become ingrained as a habit.

"We are challenged each week to develop a habit and our small group encourages us to stick to it." Ed Lestrage

Rick Warren is an Evangelical Pastor and a very gifted speaker. His clear, relatable perspective resounds the Christian message we all share, and his keen insight

targets the weaknesses and insecurities that we all struggle with.

"I find Rick to be a motivational speaker. His talks are laced with the Holy Spirit and self-motivation." Jo-Ann Adorno

"Rick Warren focuses on the Word of God and how we can really feel the healing power of God's word if we read it, digest it, and truly internalize it. Loretta Lestrage

By daily reflection and prayer between sessions, we are working towards making our changes into habits.

"Each day we reflect on one piece of the topic. The ideas and questions help to remove the mental blocks and clear the way for meaningful prayer." Jean Anthony

"In one of the sessions, it said that our body is a temple. Well, I not only have to watch what I eat and how I exercise, but I have to watch what I see, what I hear, and what I say so that God will continue to live in my temple." Tina Penneccchia

"I LOVE being transformed! I agree with what Lynda said about the Lord using us to help each other. My group agreed that we are, indeed, a very special group and God has A PLAN for us.... exciting times are ahead for all." Celeste Yazzetti

"This class has been confirmation of what I have been experiencing in Adoration. It shows me the bigger picture and how God is working in my life." Anna Sondej

miracles, miracles....

Kim Santerre

Our families attended the **Family Program** in February to learn about Jesus' parables and miracles. Families viewed a video about two of Jesus' parables. They learned about the parable of Talents and the Two Sons.

Next, families read scripture about the miracle of Jesus walking on water when Peter fell. Children acted out the scripture using costumes. Then, families worked together to answer questions and discuss the message God was giving us.

The following activity highlighted Jesus' first miracle when he turned water into wine. Again, families read and discussed the scripture. Then, children played a question and answer game about the scripture piece. The children also "witnessed" water being turned to "wine" using kool-aid concentrate.

Our session ended as we discussed Lent and brainstormed ways we can pray, fast and give. Children created their own Lent trackers to keep track of their Lenten activities that will bring them closer to Christ this Lenten season.
