while we're at it

our vision Create a parish of missionary disciples whose personal relationship with Jesus Christ inspires others into a life-changing relationship with Him.

Dear Friends,

We're into the Lenten season already and it's time for some penance and reparation. We're invited by the Church to take on voluntary penances as a sign of our change of heart and turning from sin and toward God. That is healthy for everyone's spiritual life. So what is your plan this Lent?

A. Parish Activities that will help you have a great Lent:

1. Every Monday **Seasons of Praise Holy Hour** (at St. Lawrence) from 7:00 pm to 8:30 pm. Different area priests preach every Monday evening during Lent. These are great talks on growing in holiness in everyday life. Mark your calendar for every Monday.
2. **Stations of the Cross every Friday**. This ancient devotion draws us closer to the sufferings of Jesus. 7 pm at Sacred Heart, followed by Adoration and Benediction. 6:15 pm at St. Lawrence.
3. **Confessions**: every Monday from 4:00 to 8:30 pm at St. Lawrence. Saturdays 3:15 to 3:45 at Sacred Heart.
4. **First Friday Mass** March 6 and April 3 at St. Lawrence. Do the Nine First Fridays and you will obtain the 12 Promises of the Sacred Heart!
5. **Alpha** is starting Wednesdays at St. Lawrence and Sunday mornings at Sacred Heart. Bring an unchurched friend and you will be doing a great act of charity.

B. Give it up!

When we were kids we were used to giving things up for Lent. That's a good thing to do of course, especially things that are borderline sinful or addictive... think social media, TV, internet as well as certain foods, alcohol, and bad habits. We should all try to free ourselves of anything that enslaves us and so be free to do what God wants us to do.

What are you enslaved by? Focus in on that thing. And pound away at it every day during Lent.

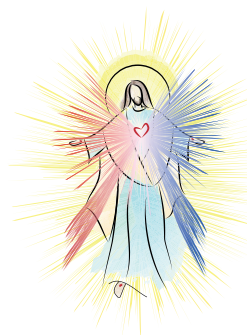

C. More grace...

1. A great tradition is to make **daily Mass** during Lent. Here at St Lawrence we have Mass daily at 8:30 am. St. Joe's and St. James both have a 7:30am and a 9:00 am. St. John's in Mahopac has a noon Mass. Nothing does your soul more good than Holy Communion.
2. **Daily prayer before the Blessed Sacrament**. One busy guy told me that although he can't make it to daily Mass, during Lent he stops into the Adoration Chapel every day for 10 minutes on his way home from work. Awesome.

So what will your commitment be this Lent?

God Bless,

Fr. Richard Gill

Writing a love note to Jesus

would you be my valentine!

Cecilia Britez

Roses are red, violets are blue, Jesus is here at St. Lawrence O'Toole! Our families had a blast during our Celebration of "Jesus is my Valentine!" Can you think of a better way of celebrating Saint Valentine's than remembering Jesus Christ?

We celebrated the night with game stations and a disco light party! The most popular game was musical hearts, at the end of each song kids had to do push-ups, the robot dance, and a rstarng contest! We also had ring tossing, mini basketball, and potato bag race. During the last game, our dads joined in! The Dining Room was inundated with laughter and joy! I am sure Jesus was looking down and smiling at us.

The best game of all was the giant musical chairs! About 20 kids were playing at a time. We had two wonderful teen leaders helping during the night: Tyler Sherman and Axel Britez! They led the games, and also worked their muscles to set up the room and then clean up! A big thank you for all your help.

The party highlight was the Valentine card station where everyone got to write a love note to Jesus and tell Him how much he is loved! We also had a chocolate dipping station where everyone enjoyed covering pretzels, Oreos, or crispy rice treats.

Whether your child is in the Family Program or not, please join us for our upcoming events free of charge:

SPECIAL EVENTS:

Sat, April 4: Easter Story Time at 6:30 pm in the Dining Hall
Sun, April 19: Divine Mercy for Children 3:00 pm to 4:30 pm in the Family Room.

*I just wanted to thank all the people who make it possible for the family program to be so well organized and educational for children and adults. Whenever I go with my son Louis, it is a pleasure to share and learn how wonderful it is to speak of God and of all his miracles, as happened this past Saturday in the gallery of miracles. The celebration of Valentine's Day was also very fun and all the children enjoyed and shared a beautiful moment. Thank you.

respect life: meet the riolos

Eileen Riolo

On March 28, 2003, after an ultrasound, our doctor uttered words that changed our lives forever. "I am glad you are here today. I see indications of a chromosomal abnormality and a problem with the heart." Two weeks later we found out definitively that the chromosomal abnormality was in fact Down Syndrome. Trisomy 21. On the 21 st chromosome, our daughter had three rather than two. We learned later that the heart problem was fixable through open heart surgery. There was nothing that could be done to change the chromosomal makeup. Doctors told us it was a "fluke" that happens at the moment of conception. The remainder of the pregnancy was spent with feelings of disbelief, sadness, anxiety, along with feelings of whether or not we could handle this challenge. Would we be enough for this little one? Were we equipped to give this child all that she needed? Why us? What would it do to our family unit and to them individually?

Sixteen years this child has lived and has positively touched the lives of just about anyone she comes in contact with. She has taught us to appreciate the little things, to find joy everywhere, to love completely and unconditionally. She has taught us that structure and

predictability are good things, dancing should happen everyday, and expectations should be unwaveringly high. We are both educators. Everyone we spoke to when we were expecting said we were the perfect parents to be given a child with special needs. We prayed that would be true. We may have had the advantage of educational backgrounds to help us advocate for her, but overwhelming love and constant faith is what gets us through. Raising children is hard work. Raising children with special needs is harder still. The reward is worth it.

Before she was born we picked out the name HALEY, because it means HERO. The definition of hero is a person who is admired or idealized for courage, outstanding achievements, or noble qualities. She personifies that on a daily basis. How blessed are we? If you'd like to learn more about our lives and her journey come talk with us and the Milano family on March 5 th .
