while we're at it

our vision Create a parish of missionary disciples whose personal relationship with Jesus Christ inspires others into a life-changing relationship with Him.

Dear Friends,

Three quick points this week -

Every tragedy, as bad as it is, also brings opportunities and blessings that would never have happened otherwise.

1. That's the case with the coronavirus too... one thing that happened in our parishes is a real awareness of the needs of our neighbors – many out of work, struggling financially to feed their families and with an uncertain future. To meet the needs of so many, our **Giving Help & Hope** Campaign was born. This week volunteers are collecting household items, grocery gift cards, non-perishable foods – anything that can help a family make it through.

I'm really proud of our parishioners... in just over a week, we've gotten \$20,000 in donated items and cash gifts, and we'll be distributing it on May 4 to the needy.

If you can help, stlawrenceotoole.org/GivingHelp&HopeDonate or if you need help stlawrenceotoole.org/GivingHelp&Hope, check out the article in this bulletin so you can sign up.

2. Because of the inability to get to Mass, many of our parishioners who are used to using collection envelopes are switching to **WeShare** for their giving. Switch by going to stlawrenceotoole.churchgiving.com or sacredheartpattersonny.churchgiving.com. Before the crisis, about 37% of our donations came through **WeShare**... with more people signing up, we will be closer to 50%. Thank you – this steady giving has helped our parishes make it through these tough times! And thank you to all the envelope users who faithfully mail in their contributions! We count on your loyalty to our parishes.

3. The ban on Masses and sacraments have pushed us to develop our on-line streaming capabilities to keep connected with our parishioners. It's a different kind of outreach for us, but one that will permanently change the way we "do Church" in the future...that's a good thing because we can reach more people this way.

Stay tuned... next Sunday is **Mother's Day** and we've got some things for moms planned. We want to give all the moms in the parish a blessing but at a safe distance!

God bless,

Fr. Richard Gill

fr. john bida, rest in peace

Fr. Bida, who served at St. Lawrence from 1991-2003, passed away from the Coronavirus last week. He was 72 and retired, living in a nursing home. He is remembered well at our parish, having served as parochial vicar with Fr. Robert DeJulio during his years here. He had a series of assignments in Dutchess, Orange

and Ulster Counties since his ordination in 1972. May his soul and the souls of all the faithful departed, rest in peace.

psalm you to sleep

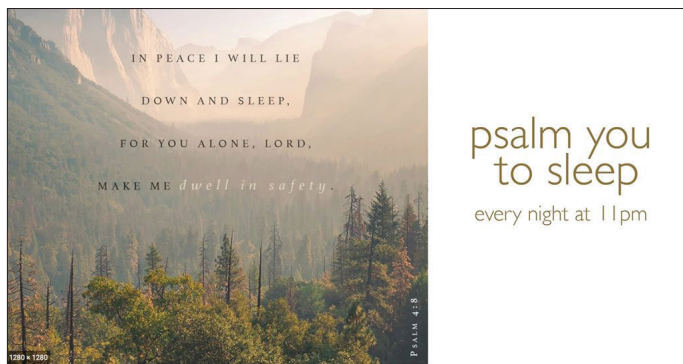

“As a parishioner, volunteer and employee of St Lawrence O’ Toole, I am often asked about what prayers are comforting to me in these scary and challenging times. I pray the Rosary often as it comforts me and brings me solace. I gave the same advice to my niece who suffering from medical issues. She became more unsettled by the fear of these scary times. My niece asked me about additional prayers or suggestions that may help her deal with her stress of the day and help her relax in the evening. I suggested that she watch St. Lawrence O’Toole’s **Psalm You to Sleep** with Lynda Holler on Facebook at 11 pm every day. My niece said to me that Lynda’s readings and prayers comforted her because her voice is very calm and reassuring. This helped my niece let go of her anxiety and get to the point where she could rest easy and sleep comfortably. **Psalm You to Sleep** can take your fear and anxiety away as you are putting your anxiety or problems in God’s hands. I am grateful that Lynda does these readings and prayers as it helps people grow closer to the God.”

safety squad delivers

“When **Safety Squad** was first announced, I thought it was such a great idea and planned to join. I wanted to help out because in the past I have always depended on others to care for my family that lived too far for me to visit frequently. It is because of kind neighbors and dedicated healthcare providers that my grandmother, uncle and father always had what they needed. As the news about the impact of the CoronaVirus got worse, I decided that it would not be safe for me to leave the home. I did not want to put my asthmatic son and mother at risk. When I got emails about opportunities to help out, I would ignore due to fear.

I was finally motivated to join Safety Squad, after listening to Father Gill’s homily in which he said something along the lines of, “What a shame it would be if as Catho-

lics we did not behave differently than others during these trying times.” I tell my sons and students how critical it is to help others whenever possible. Right now I am healthy and can help, so I must. I volunteer on Mondays to help distribute weekly meals from the school district. Armed with a mask and gloves, I enjoy meeting other parishioner volunteers. I continue to be inspired by everyone’s acts of kindness and appreciate the opportunity to do my part during these scary times”

-Catherine Georges

“This past week I got the chance to give back to our community and our church. I delivered 3 meals to different families from the Clock Tower Grill. It was a good feeling but yet at the same time sorrowful. I never realized how many families do not have enough. And I have always had enough. That is why I decided to do something to help as a member of the **Safety Squad**. That and the fact I have become closer to God and the church in the past

four years after attending St. Lawrence after many years. Fr. Gill has become sort of a hero to me since day one. As has the entire congregation. Judy, myself, and our granddaughter Layla have attended almost every Sunday since. I have prayed for something to do to give back and got my answer. Thank you one and

all for giving me this opportunity and for always being with our family in Christ. Stay safe and God bless”.

pope francis urges catholics to unite through praying the rosary in may

HANNAH BROCKHAUS | CATHOLIC NEWS AGENCY

Pope Francis sent a letter encouraging Catholics to pray the rosary throughout May. He also shared two new prayers to implore the help of the Virgin Mary during the coronavirus pandemic.

“Contemplating the face of Christ with the heart of Mary our Mother will make us even more united as a spiritual family and will help us overcome this time of trial,” Pope Francis said in a letter April 25.

He urged families and individuals to “rediscover the beauty of praying the rosary at home in the month of May,” which is traditionally a time of increased devotion to the Blessed Virgin Mary. With his letter, the pope included two prayers to Our Lady to recite at the end of the rosary, which he said he would also pray throughout May “in spiritual union with all of you.”

First Prayer:

O Mary, You shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick, who, at the foot of the cross, were united with Jesus’ suffering, and persevered in your faith.

“Protectress of the Roman people”, you know our needs, and we know that you will provide, so that, as at Cana in Galilee, joy and celebration may return after this time of trial.

Help us, Mother of Divine Love, to conform ourselves to the will of the Father and to do what Jesus tells us. For he took upon himself our suffering, and burdened himself with our sorrows to bring us, through the cross, to the joy of the Resurrection. Amen.

We fly to your protection, O Holy Mother of God; Do not despise our petitions in our necessities, but deliver us always from every danger, O Glorious and Blessed Virgin.

Second Prayer:

“We fly to your protection, O Holy Mother of God”. In the present tragic situation, when the whole world is prey to suffering and anxiety, we fly to you, Mother of God and our Mother, and seek

refuge under your protection. Virgin Mary, turn your merciful eyes towards us amid this coronavirus pandemic. Comfort those who are distraught and mourn their loved ones who have died, and at times are buried in a way that grieves them deeply. Be close to those who are concerned for their loved ones who are sick and who, in order to prevent the spread of the disease, cannot be close to them. Fill with hope those who are troubled by the uncertainty of the future and the consequences for the economy and employment.

Mother of God and our Mother, pray for us to God, the Father of mercies, that this great suffering may end and that hope and peace may dawn anew. Plead with your divine Son, as you did at Cana, so that the families of the sick and the victims be comforted, and their hearts be opened to confidence and trust.

Protect those doctors, nurses, health workers and volunteers who are on the frontline of this emergency, and are risking their lives to save others. Support their heroic effort and grant them strength, generosity and continued health. Be close to those who assist the sick night and day, and to priests who, in their pastoral concern and fidelity to the Gospel, are trying to help and support everyone. Blessed Virgin, illumine the minds of men and women engaged in scientific research, that they may find effective solutions to overcome this virus.

Support national leaders, that with wisdom, solicitude and generosity they may come to the aid of those lacking the basic necessities of life and may devise social and economic solutions inspired by farsightedness and solidarity. Mary Most Holy, stir our consciences, so that the enormous funds invested in developing and stockpiling arms will instead be spent on promoting effective research on how to prevent similar tragedies from occurring in the future. Beloved Mother, help us realize that we are all members of one great family and to recognize the bond that unites us, so that, in a spirit of fraternity and solidarity, we can help to alleviate countless situations of poverty and need. Make us strong in faith, persevering in service, constant in prayer.

Mary, Consolation of the afflicted, embrace all your children in distress and pray that God will stretch out his all-powerful hand and free us from this terrible pandemic, so that life can serenely resume its normal course. To you, who shine on our journey as a sign of salvation and hope, do we entrust ourselves, O Clement, O Loving, O Sweet Virgin Mary. Amen.

divine mercy *LIVE* according to cecilia!

Robin Liguori

“Hello my friends!” For the past six weeks or so, those are the three cheerful (and I emphasize cheerful) words welcoming us every afternoon at 3:00 o’clock by Cecilia, as we tune into Facebook Live from our homes for Divine Mercy. Not only does Cecilia lead us in the Chaplet of the Divine Mercy, but she takes us through the entries of St. Faustina’s Diary to help us better understand the true love and mercy promised by Jesus to each and every one of us. What better time than during this pandemic do we need to be reassured of God’s love and protection towards us?

Cecilia’s excitement as she reads the entries is endearing. It’s almost as if she was best friends with St. Faustina and was witness to her personal interactions with Jesus. But not so fast...Cecilia has let us know on more than one occasion that when she first started reading the diary, she didn’t like St. Faustina and was even jealous of her. Typical of women, right? Except this is Jesus we’re talking about. His love, mercy and forgiveness is waiting for each one of us if we just allow Him into our hearts and Cecilia helps to open our hearts through the writings of St. Faustina. She helps us realize we’re not alone when we experience darkness and dryness in prayer and she assures us that we are all entitled to the graces that God is willing to bestow on us just for the asking and placing our trust in Him.

Check it out every Monday through Saturday at 3 pm Divine Mercy LIVE on Facebook. Cecilia Britz is our Director of Evangelization and the Family Program.

I’ve prayed the chaplet many times, but never thought about reading the diary until recently. I’m now reading my very own copy that I like to call “The Diary of St. Faustina, according to Cecilia.” If only her positive energy and love of Jesus could be bottled up, we’d have a cure for a lot of lost souls and there would be a world full of happy hearts!

I’m noticing the difference that the Divine Mercy afternoons are making in my daily life. I find myself reflecting more instead of reacting to challenges I might face throughout my day. I stop and remind myself how much Jesus loves me and the suffering he endured to prove that love. If He can do that for me, then I can offer up whatever struggles I face as an act of love for God. A simple prayer of “Jesus I trust in You” or just a “thank you Jesus”(sometimes repeated many times) is all it takes to put me back on track and realize just how blessed I am.

As terrible as this pandemic has been, I believe that it has brought me to a higher level in my faith, and I credit the Divine Mercy Series for a big part of that. Thank you to Cecilia for the reminder everyday that we have a God that loves us so much and is merciful! We are all sinners, but He is our hope and our salvation!
