# while we're at it

**our vision** Create a parish of missionary disciples whose personal relationship with Jesus Christ inspires others into a life-changing relationship with Him.

Dear Friends,

Here's the news:

1. After a delay of months thanks to the pandemic, Bishop Byrne confirmed **17 Sacred Heart and 58 St. Lawrence students last weekend**. We're proud of those kids and their families for hanging in there despite the delay, and as a parish we keep them in our prayers. This weekend and next we'll be doing First Communions at both parishes as well. These are the joyful moments the parish has been missing for so long, and we're glad to have them back as little by little we carefully creep back to normal.

2. We brought back our **12:30 pm and 5:30 pm Sunday Masses** last week as more people are filtering back to Mass each week. The 12:30 pm will be celebrated in Spanish from now on, adding to the 7:30 pm Spanish Mass on Saturday evenings. The 5:30 pm Mass features contemporary worship music and is just beautiful.

3. Take a look inside this week's bulletin for news on new **Faith Formation Offerings** this Fall – both **in person and ZOOM**. After so much quarantine and isolation, we all feel a spiritual hunger for God. These great mini-courses will connect you with others and with Him.

4. Improvements on the grounds at Sacred Heart continue... I mentioned before we would be building an outdoor **Stations of the Cross in the woods** past the parish center. We'd also like to erect a monument at the site of the original chapel and a headstone on the grave of the Hances, the couple who donated the land for Sacred Heart Church almost ninety years ago. We're planning ahead to work on improving the entrance to the church and the handicap access as well.

5. Last weekend we held the first of our **Bringing Church to You**, neighborhood Masses – where neighbors are invited to participate and we hold Mass outdoors. It was a beautiful experience and several more are scheduled.

6. We are getting soooo close. Soon we'll reach our goal of having every one of the 168 hours in the week covered for **Eucharistic Adoration** in the Divine Mercy Adoration Chapel. We have several hours free on Sunday... get in touch with **Paul Lavelle** (lavelleslot@comcast.net) to get your hour with the Lord. Once we have people in Adoration 24/7 praying for our parish, there is nothing the Lord will not give us!

God bless,

Fr. Richard Gill

MATT THOMPSON

From the start of eight grade EDGE, everybody looks up to being Confirmed. I've looked forward to this day since I went to my sister's Confirmation when I was 10. I prepared for it for months. From writing reports on Saint John Paul, to talking over why I wanted to be Confirmed with my parents.

While I got dressed I was starting to get nervous, but I didn't know why. My uncle, who was my sponsor, came to my house around 12:45 pm, so we could head to the church together. The atmosphere in the church was truly incredible. As I entered the church, I saw most of the Confirmation Candidates taking pictures with their sponsors which gave me a sense of peace. We walked into the church and were seated directly in the front row. My parents sat next to me encouraging me as I waited for the Mass to begin.

Once the Mass started, my nerves truly kicked in. I felt as if Jesus was calling upon me. The first and second readings went by pretty quickly because all I could think about was getting Confirmed. As I sat listening to Bishop Byrne's homily about how we were blessed to be finalizing our Sacraments of Initiation, I felt this newfound sense of peace start to wash over me.

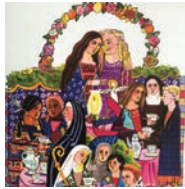

When I stood up to get the anointed oil on my forehead, I realized I was finally being welcomed into the church and was now a true soldier of Christ. After the oil was placed on my forehead, I started to have this new feeling wash over me. It was a feeling of blessings being poured out by the Holy Spirit on top of me. After that it felt surreal. My family around me was the greatest feeling in the world. I felt Jesus was there with us this day. It sure felt like he was watching over the whole Mass and had a smile on his face the whole time.

# ADORATION

## we have become good friends

KATHLEEN PATRIE

I had never gone to Adoration and had no idea what it was all about. I was surprised one Sunday morning after Mass, when Carol Collins asked me if I would substitute for her at Adoration. I don't know why, but

I said yes. Then I had to ask her "what do I do". Carol smiled and said, what ever you want, pray, read, or just talk to Jesus. I went and found the experience peaceful.

I started substituting for other people and found that feeling of peace I felt the first time I went to Adoration. That same year while celebrating Divine Mercy Sunday, I spent an hour in Adoration and I decided to sign up for my own hour. That was one of the best decisions I ever made.

In Adoration, I sometimes ask Jesus to help me with a problem or decision. I don't know if it's the quiet that helps clear my mind, but talking to Jesus helps me find the answer.

Other times, I bring my scripture study homework to Adoration and pray that Jesus will help me understand the meaning of the Word. Sometimes, the meaning is clarified.

I have been going to Adoration every Thursday for almost 10 years. There are also times when I just sit and talk to Jesus. I enjoy my hour with Jesus very much and we have become good friends. Being in Adoration is the most relaxing and peaceful time during my week.

## outdoor mass at deer court

LYNN SHERMAN

Last Sunday, St. Lawrence O'Toole brought church to our neighborhood! Fr. Gill set up in our yard to celebrate Sunday Mass. It was a special opportunity to sit outside on the grass with our family and friends on a beautiful afternoon. We had about 40 people in attendance, many of which were children. One child even asked if we can do this every week! Some of the people who attended haven't received communion since the COVID pandemic closed church this past March, therefore, they were very appreciative.

Peter Ryan provided the music which was such a wonderful surprise. Hearing him play and sing under the trees was such a unique experience. The beautiful music brought us so much joy. As we sat and listened, we also heard the wind through the trees and other sounds of nature. The sun's rays shone down on us through the branches. It allowed us to be closer to nature and be grateful for God's creation.

We feel fortunate to have such an active parish that looks for new ways to reach out to the community. COVID may have changed our normal routine and kept us home, but we certainly don't feel alone. We really bonded as a neighborhood.

## Leave your mark for the future generations of our parishes

It is important for everyone to have a will in order to insure your assets are directed according to your intentions and that everything is clear when you go back to God. Many people distribute what they have among loved ones and also generously leave a portion of their assets to the parish.

You can leave a gift to build up the future of your parish (St. Lawrence or Sacred Heart) with a bequest in your will. Some people leave a percentage such as 10% of their estate to the church, and others leave a fixed amount.

Previous generations of Catholics built up the church we inherited... leave your legacy for the Catholics to come after us.

## Christ Crucified.

The new Crucifix outside St. Lawrence has been erected as a witness to the love and mercy of Jesus who died for us all. It reminds us of our value in the eyes of God the Father who sent his only Son to die for us, that we might live.

So far our parishioners have donated \$12,567 to the new Crucifix fundraiser, toward the total of \$25,000 needed. With another \$12,000 we will be at our goal. Please contact Maureen Herbstritt our business manager at 845-279-2021.
