while we're at it

our vision Create a parish of missionary disciples whose personal relationship with Jesus Christ inspires others into a life-changing relationship with Him.

Dear Friends,

I had a meeting with priests from the area the other day to share our experiences running parishes in COVID times. Most are reporting they are getting only about 25% of pre-Covid attendance and only 70% of their usual collections.

Fortunately we are doing better than that: about 40-50% attendance and many hundreds more on LIVESTREAM. We're getting close to 100% of our collections. Our parishioners at St. Lawrence and Sacred Heart are just terrific people and wonderfully loyal to our parishes.

Not only that, but we have a steady stream of Confessions every week on Mondays from 4:00 pm to 7:00 pm. What is most amazing is that in the middle of the pandemic, we finally reached our goal of **24/7 Perpetual Adoration** – there is at least one person in the Divine Mercy Adoration Chapel every hour of the day and night, every single day!

We've also restarted our active **Adult Faith Formation Programs** at both parishes – in person and by Zoom. Our kids are back to religious education, mostly virtually.

This week we start something new at St. Lawrence: **Wednesday evening Confessions** from 6:00 pm to 7:00 pm and **Mass** at 7:00 pm. This is especially good for those who are a bit cautious about returning to Sunday Mass – the group is much smaller and the social distancing is much easier. Bring the family to a Wednesday evening Mass.

Last week we kicked off the important **Parish Improvement Program** at Sacred Heart to develop five key projects around the Church and the grounds (more information inside this bulletin). We've already gotten commitments from a number of generous parishioners for \$80,000 of the \$135,000 goal – that's 60% by the end of the first weekend! Send in your pledge card today to keep Sacred Heart Strong!

At St. Lawrence, our major financial goal is to finish paying down what was a \$3.8 million loan for the renovation of the Church in 2015. As of this month, we are down to \$550,000 remaining – that is a remarkable accomplishment. And to finish off this loan over the next four to five years, we're asking St. Lawrence parishioners to participate by using the **Centennial Gold envelopes** you receive each month – hundreds of parishioners give what they can once a month with the envelopes or on **WeShare**, and we are making good progress. Every dollar goes directly to pay down the loan.

Thank you all for keeping our parishes strong and vibrant!

God bless,

Fr. Richard Gill

FR. RICHARD GILL

For 110 years, our Knights have played a key role in our parish by volunteering, service and charitable works. They have stepped up to provide manpower for our homeless shelter, scholarships for struggling families in religious education, and by feeding the poor at Thanksgiving time. They focus on making St. Lawrence a better parish and furthering the strategic plan of the parish. One of their most notable works of collaboration with the parish was the pledge of \$200,000 toward our Centennial Renovation Campaign in 2015, which

funded the restoration of the stained glass window in the choir loft, and helped build the Divine Mercy Adoration Chapel. We are grateful to the Knights and their new Grand Knight, Tom Healy, for being the “strong right arm” of the parish.

LYNDA HOLLER DIRECTOR OF DISCIPLESHIP

The Way

Series 1: Community #4 – Let us worship God as he has taught us

Some people like to say that they are spiritual, but not religious - that they do not need the Church, that they can worship anywhere and they prefer to do it alone, in the woods, or...

The problem with that is that although we are each called to have a personal relationship with Jesus, He made it clear that He wants us to worship Him in community. God taught us how to worship Him - humanity couldn't figure it out alone. Think about it:

Adam & Eve were One Holy Couple that walked with God in the cool of the evening. We don't read that Adam and Eve went off on their own to pray and meditate.

Noah, the head of One Holy Family, and Abraham, the father of One Holy Tribe taught their children and grandchildren to worship in the way that God taught them. Generations later, David, king of One Holy Kingdom, was expected to lead his people in faithful worship and draw other nations into their way of life.

When Jesus came, He renewed the liturgy and again taught it in community. He chose apostles, more disciples followed, crowds gathered. One Holy Church was established. God is very orderly – look at his kingdom - and there is no evidence that will stop here. Everything we know about heaven reveals it to be an orderly, liturgical community. God has a plan and He expects our obedience.

So, if you are tempted by a Sunday morning hike or even if you have become overly comfortable watching streamed Masses instead of gathering live before the altar of our Lord, remember that it is God Himself that has taught us how to worship Him and we must admit that He knows best.

Scripture: Read Psalm 100 this week – a worship scripture that dates back 3000 years, but is as relevant today as it was back in Noah's time hundreds of years before it was written.

Call to Action: Come and worship as a community as God has instructed.

Christ Crucified.

The new Crucifix outside St. Lawrence has been erected as a witness to the love and mercy of Jesus who died for us all. It reminds us of our value in the eyes of God the Father who sent his only Son to die for us, that we might live.

So far our parishioners have donated \$16,394 to the new Crucifix fundraiser, toward the total of \$25,000 needed. With another \$8,606 we will be at our goal. Please contact Maureen Herbstritt our business manager at 845-279-2021.
