# while we're at it

Dear Friends,

When you're in the minority in the culture, it doesn't take long before you start to pay the price for believing differently. Since Jesus' time we Catholics have been in the minority.

This month the Supreme Court may overturn the atrocious abortion decision that legalized abortion. Everywhere in the country pro-abortion groups are preparing to protest at Catholic Churches because we are the Church most steadily and consistently pro-life. You've noticed that the Brewster Police are manning the front of our Church to discourage violence. Let's pray for peace and tolerance of our faith convictions about the sanctity of every human life. In a country founded on religious liberty, we should not need to have police protection. But we do.

In case you haven't noticed, June is "Pride Month" across our society to celebrate people with different sexual or gender preferences and identities. We're even getting a "pride rally" here in Brewster today. Many businesses and sports teams are celebrating "inclusion" and they pressure employees to go along. It was refreshing to see some members of the Tampa Bay Rays have the Christian courage to refuse to wear pride symbols the management was pushing. One player named Jason Adams said:

***"A lot of it comes down to faith, to like a faith-based decision. So it's a hard decision. Because ultimately we all said what we want is them to know that all are welcome and loved here. But when we put it on our bodies, I think a lot of guys decided that it's just a lifestyle that maybe — not that they look down on anybody or think differently — it's just that maybe we don't want to encourage it if we believe in Jesus, who's encouraged us to live a lifestyle that would abstain from that behavior... we love these men and women; we care about them, and we want them to feel safe and welcome here."***

He expresses the attitude we Catholics should take – be faithful to the teaching of the Gospel, respect and love the others, but stick to the truth.

Next Sunday is the **Feast of Corpus Christi**, and at **3:45 pm we'll have our own procession** through the streets of Brewster in the presence of the Blessed Sacrament. Join us to show our love and gratitude to Jesus.

And June is the month of the **Sacred Heart of Jesus** – one of the most beautiful Catholic devotions that expresses the passionate love of Jesus for all of us, and his desire that we all come to his Heart and accept his love. When we do, our lives change to live in the truth. And it is his truth that sets us free.

God bless,

*Fr. Richard Gill*

### Power and Purpose Conference 2022

Luke 4:18 The Spirit of the Lord is upon me, because he has anointed me to bring the good news... June 3 - 5 a group attended the Power and Purpose Conference at Franciscan University in Steubenville, OH. The tag line for the invitation was "Discover and deepen your life in the Spirit." The invitation video ends with "Just come and experience the grace and mercy and love of God."

I experienced an outpouring and indwelling of the Holy Spirit as I have never experienced before. The first evening I made the decision to receive and allow the Holy Spirit free access to all the areas of my life, no holding back, trusting that God knows the plans He has for me and

His plans are to prosper me, plans to give me hope. The Holy Spirit answered profoundly with peace, confidence and assurance that I am loved and empowerment to share this love. The areas in my life I had been holding back, the Holy Spirit is filling and healing.

Throughout the weekend we shared incredible Holy Spirit filled worship, teaching, prayers, Mass, and Adoration in the company of other believers from different places and walks of life. We were bound together in our seeking and receiving the Holy Spirit as beloved children of our loving, Holy Father. At the end of the weekend,

we were sent out to take this infilling of the Holy Spirit out to the people and places our lives touch.

We bring the Holy Spirit into our daily lives, our families, friends, neighbors, co-workers, all the circles of influences our lives touch. We bring God's love to share, not in our own strength but empowered by the loving, living Holy Spirit. God loves each and every person He created, and He calls us to share His love through the power He has poured out on us.

It is clear to me that the Holy Spirit is working in St. Lawrence and Sacred Heart parishes. I am thankful for his presence and excited to see where He will lead us next.

## the power of the holy spirit

TINA GRANT

Pentecost was glorious! We celebrated the feast commemorating the descent of the Holy Spirit upon the Apostles. The Gospel in John 20:19 told of how the disciples rejoiced when they saw Jesus after he was crucified. Jesus said to them "Peace be with you." He breathed on them saying "Receive the Holy Spirit."

How appropriate that at the Saturday Vigil, 7:30 pm Mass and

Sunday, 11 am Mass we celebrated Baptisms, First Holy Communion, and Confirmations. The girls in their Communion dresses looked like little brides. The candidates and their families were filled with joy as they waited anxiously for Mass to begin.

Fr. Gill's homily spoke of how we focus perhaps on Jesus Christ or God the Creator, not appreciating the power of the

Holy Spirit. Yet, it was Jesus Christ who introduced the Holy Spirit to us. "The Advocate, the Holy Spirit, whom the Father will send in my name, will teach you everything and remind you of all that I told you." When the Apostles received the Holy Spirit, they overcame their fears and spread the Good News of our Lord to all areas of the world. The Holy Spirit gave them inspiration and courage. It gave the Apostles the power to speak so that everyone, regardless of their language, would understand.

Each candidate had their own story as to how they arrived to receive their sacraments on Pentecost Sunday; yet each one made the decision to become an instrument of their faith. As the candidates each received their sacrament(s), we knew we were witnessing the power of the Holy Spirit. A testament of our faith. How beautiful.

Pentecost Sunday was a perfect day. It was sunny and in the 70's. But the real joy emanated from within, when the candidates opened their heart and soul and received the Holy Spirit. It was a very special day for them, their families and the parishioners who were blessed to witness it. We knew their lives would never be the same. Great things happen when one is filled with the Holy Spirit! Let Pentecost Sunday be an inspiration to us all as we meet the challenges before us.

## retiring from our parishes

TINA GRANT

Each of us has had people who have stepped into our lives and have changed us for the better, and who have inspired us. People, who through their own faith, have made ours stronger.

On Sunday, July 3rd at the 11 am Mass. We will celebrate Deacon Mark who has been with us for 27 years. A reception will follow in the gym. It is hard to fathom St. Lawrence and Sacred Heart without him. There are no words to adequately express how grateful we are for the time Deacon Mark has devoted to our faith, our parish and each of us individually.

He taught many children to be altar servers. He is certainly in his element when teaching our children how to serve the Lord. It truly is his passion.

Before my dad died, he had asked that Deacon Mark be part of his funeral Mass. He wanted the man who meant so much to him, to be part of his journey home. Deacon Mark has

participated in hundreds of baptisms, communions, confirmations, weddings, and funerals. We all have our own personal relationship with Deacon Mark who exhibits the personal relationship he has with Jesus. We can easily visualize him walking briskly to Mass, talking to a parishioner or in prayer. A true disciple of our Lord who has touched our hearts. He is a pillar at St. Lawrence and Sacred Heart and his participation and energy is boundless. I am not sure what Fr. Gill will do without him, or us, for that matter.

God puts people in our lives for a purpose. Deacon Mark is a blessing. He retires leaving us a legacy - many graces for knowing him, great moments to cherish and wonderful and funny stories to look back on.

**Let us come together on  
July 3, 11 am Mass  
to celebrate Deacon Mark's Retirement**  
May we ask the good Lord to bless him on his journey.

*A reception will be held in the gym after the 11 am Mass.*

**BLESSED FRUIT**

We recently celebrated the Feast of the Visitation. Elizabeth miraculously pregnant with John, the Baptist; Mary is carrying Jesus in her womb. Their maternity drew them together and ultimately defined their role in God’s plan of salvation. No human being in the history of the world has made a bigger impact than Mary; Elizabeth may be in

the top ten. No other job or talent trumps their role as mothers. Noah, Abraham, David fulfilled dramatic, heroic jobs for God, but it would not have been possible without the cooperation of their mothers. Who was more important, Moses or his mother?

In contrast, U.S. Treasury Secretary, Janet Yellen told the Senate Banking Committee that the country’s financial stabil-

ity would be rocked if the Supreme Court overturns Roe v. Wade, in part because of its disruptive effect on the labor market. She said, “Roe v. Wade and access to reproductive healthcare, including abortion, helped lead to increased labor force participation. It allowed women to plan and balance their families and careers and research also shows that it had a favorable impact on the wellbeing and earnings of children.”

A favorable impact on children? Interesting how she is disregarding the wellbeing of the 63 million children that were aborted since 1973. Labor force participation? Why is being a computer programmer, a chef in a five-star eatery or even the CEO of a Fortune 500 company a more valuable job than being a mother? Do women have no national value unless they contribute to the Gross National Product?

There is no doubt in my mind that in heaven motherhood will be honored, especially the selflessness and sacrifice that defines that vocation. Elizabeth said to Mary, “Blessed is the fruit of your womb.” As disciples, may we pray that the fruit of all wombs be allowed to grow to perfection and that their mothers be honored for their contribution to the loving Divine Economy rather than the fickle national one.

**Scripture:** Read Luke 1:39-45. What stands out?
