while we're at it

Dear Friends,

We were all delighted when the Supreme Court overturned the Roe decision earlier this year, declaring it was wrongly decided and that there is no constitutional right to abortion. **Pro-lifers** had been praying for that decision for fifty years, and finally our prayers were answered.

Of course that decision by the Court doesn't make abortion illegal, as it should be, but leaves it up to each state to decide for itself – the way it had been up to 1973. So now we Christians, and others of good will, have a new mission... to create a culture in which abortion is unthinkable and the unborn are welcomed into life and protected by the law.

It will be a long process with uneven results, but we must stand for the **sacredness of every human life**, from conception to natural death. Some people will carry on the fight in the political arena and that is needed. Others will work to educate the young and still others to change hearts and minds.

What is essential for the Church is to make sure that every woman who finds herself in an unexpected pregnancy has the love, support and practical help to bring that child to birth. Already we have more pregnancy resource centers than abortion clinics, but we need to do more, so every mom is embraced and held up by the rest of us, putting our faith into practice.

We'll hopefully be starting a Brewster based pregnancy resource center soon. Stay tuned for news on how you can help.

We all need to pray for women, men, siblings, other relatives who are affected by abortion. We need to pray sincerely for the conversion of abortionists. We need to pray that our culture become, once again, a culture of life.

The **Forty Days for Life Campaign** is on now – and we're praying outside the Planned Parenthood Clinic on Main Street in Danbury. Our parishes are committed to Tuesdays from 10:00 am to 4:00 pm. Go to 40daysforlife.com/en/danbury and sign up for an hour anytime during the week. All you need to do is pray quietly for those precious souls God has created and for whom Jesus died – that they may have life and have it to the full.

God bless,

Fr. Richard

our vision Create a parish of missionary disciples whose personal relationship with Jesus Christ inspires others into a life-changing relationship with Him.

choose life

SHARED FROM AN ANONYMOUS AUTHOR.

On April 26, 1992, a baby was born to parents that could not care for him. Fortunately, for that child they chose to place him in adoption instead of having him killed in the womb. One day after he was born, he was adopted by Patty and Wayne Judge who went on to love him and raise him the same as if he was born to them.

This 30 year old, 6 foot 7", 282 pound man could very well have just been an aborted statistic, but because his birth parents chose life for their son, a Christian man of strong character has become the perfect role model for a generation that is sorely in need of one.

With rappers preaching about killing cops and raping women, with Hollywood spewing hate for America, with basketball players selling out to communist China for filthy lucre, Aaron Judge shines like a light in the darkness. A breath of fresh air in the stench of a society that has abandoned morality and righteousness.

Recently, this man beat the record for the most home runs in a season without cheating. The fact that he might be having the single greatest season in baseball history pales in comparison to the character he exudes and the moral and honorable life he lives.

Thank you Aaron Judge for finally giving America a person, a celebrity that we can look up to. And at 6 feet 7, in more ways than one."

sacred heart fall clean up!

The Catholic Daughters sponsored a garden renewal day for volunteers to pitch in and plant and mulch and trim, and the result was a more beautiful campus for us all. Thanks to all who lent a hand and got down and dirty for the cleanup.

Are you in need of intercessory prayer and healing prayer? The Arise Prayer Ministry may be for you. A small team of trained parishioners will pray with you for whatever need you have: life struggles, temptations, family problems, grieving lost loved ones, emotional and physical healing, and so on. The team will call upon the Holy Spirit to intercede and bring his grace and light into your life and show you how the power of God changes things for the better.

PROCLAIMING SCIENCE AND FAITH

God has a unique plan for each of us to serve Him. He gives us talents, and resources, opens some doors, shuts others, and draws us to the people that He wants us to share the adventure with. Last weekend, I talked with **Russ Breault**, the **International Expert on the Shroud of Turin**. What he didn't explain in his two detailed presentations is why he does what he does.

Russ was born to a non-practicing Catholic mother and atheist father. His father was in the Navy and, "Yes, sir!" was the required response to his dad's instructions, so as a child he did not believe in God. In college, a friend tried to introduce him to Jesus, but he wasn't interested. After graduation, on his honeymoon, he took the Bible from their motel room and started reading the Word of God. He also pulled out the materials the college friend had given him.

A few months later, he had a dramatic encounter with Jesus and became a Christian. About that time, the 1978 Shroud of Turin Research Project was all over the news and Russ became fascinated by the connection of science and faith. He started to do research to learn all that he could and by 1981 he gave dozens of presentations all over southeastern US. His faith was very important to him, and he wanted others to know Jesus too. He saw the Shroud as the Gospel written in linen and felt that he needed to proclaim it.

Russ has achieved a two-million-mile status with Delta, but what he truly treasures are the conversion stories his ministry has inspired. He recently spoke in Salt Lake City. A postal worker and her boyfriend, who had attended his talk a year ago, told him they had become Christians because of it. Russ believes that people give their lives to Jesus after his talks because the Shroud makes the story of Jesus' life, Passion, and Resurrection real for them. After forty-two years, Russ is still passionate about this work and in return Jesus continues to use him to reveal his passionate love for all of us.

Scripture: Read John 20:3-9. What stands out?
Call to Action: If you missed Russ' talks, you can learn more about the Shroud at **Formed.org**. The parish provides you a free membership to this great resource of Catholic programming. Contact me if you have any trouble signing up. Go to: watch.formed.org/search?q=shroud+of+turin
