

EXTENDED DAYCARE SERVICES

ECLC offers an Extended Daycare Services program for students enrolled in our preschool program. If you need extended care hours on a regular basis, whether one day per week or five days per week, we can tailor a tuition package for your individual needs

We offer a Morning Care program from 7:30AM- 9:30AM. Morning Care is billed by the half hour.

Between 12:30PM and 2:30PM, we have our popular Lunch Bunch program. Lunch Bunch is a 2-hour option only. When you pre-register for Lunch Bunch on a regular basis, the rate is \$18 per day. During Lunch Bunch, your child will eat lunch with their friends, play indoors and outdoors (weather permitting), and have the option of doing arts and crafts. In addition to your child's snack for preschool, children must bring their own lunch to school for Lunch Bunch.

If you require care after the 2:30 PM Lunch Bunch pick up time, we are here for extended After Care until 4:30 PM. As with Morning Care, our After Care program is billed by the half hour. You must sign up for our Lunch Bunch program in order to participate in our After Care program.

Please call or email our Main Office for Extended Care pricing (854)279-5164/slootec@comcast.net. Pre-registration for these services guarantees your child's spot in our Extended Care program. If you do not need to use our Extended Care services on a regular basis, we offer Drop-In services based on daily availability. We request 24-hour notice for Drop Ins. Pre-registration for extended services is discounted from the Drop-In rates listed below. If you know that you will need extended care on a regular basis, we strongly suggest that you pre-register as part of your tuition package. Please complete an Extended Care Services Form to register.
